Mark believes the day was Sunday rather than Saturday and remembers that the skiers had a chicken dinner that day. Mark was the coordinator for King County Youth for Evans in 1972 and in 1973 ran John Spellman's campaign. He was also involved in demographics and as Bundy was also involved/interested in that type of thing they had many conversations in 1973. Either Bundy or Wallbom was involved in Jim Mattingly's campaign around this time. The last time Wallbom saw Bundy was in early June of 1974. Bundy was walking in red square at the U, wearing a blue button down denim shirt, tan khaki pants, penny loafers and had a beige fisherman's sweater around his neck. This would have been a weekday as Wallbom was preparing to graduate in the near future (that quarter) and they discussed that. Bundy stated he had been studying at the law library.

5/12 Mark remembered distinctly what Bundy said when confronted at Lake Sammamish - "Just walking around". Wallbom thought Ted could be the kind of guy to do that sort of thing, but it was unusual for him to be at Lake Sammamish when he should have been at the Republican Convention or in Tacoma, where his school was.

5/13 Wallbom thinks he saw Bundy near the U another time that year but does not recall it clearly. He also saw a lot of Bundy during the 1973 campaigns. Wallbom gave the number of Jim Shober, SH7 6326 and his wife Tracy, 455-1234. Wallbom was advised that a statement would be taken from him in the next few days.

5/15 1100 hrs Phone contact with Jim Shober who stated Seattle Police Department had not contacted him and that he would call R/O when he did not have a client with him.

5/16 Phone contact with Mrs. Ferris who stated she knew Bundy and wished to talk with someone in person regarding him.

5/17 1120 hrs R/O had personal contact with Mrs. Ferris at her residence, 736 NE 56, phone 522-3168. Mrs. Ferris is 69 years old but has a good memory of her dealings with Ted Bundy. She advised that she met him about 5 years ago when he was working as a bus boy at the Seattle Yacht Club. Another person that knew him well there is Kenny Gilman, who is now the chef at the Moose Club by the Seattle Center. Mrs. Ferris recalled Bundy taking men home who were drunk and other employees suspected him of trying to "roll" the customers after hours. She also remembered a young secretary whom Bundy took up into the "Crow's Nest" for sexual purposes. Bundy is a schemer and a sneak according to Mrs. Ferris, and would befriend older people like herself and live with or off of them. He had little or no money and would borrow money and fail to repay it. He would often borrow Mrs. Ferris' car and be gone into the night. Mrs. Ferris later thought Bundy might be robbing but was afraid of him at the time and still is and requests her name not be used. She got Bundy a job at the Olympic Hotel as a busboy and he worked there for a few months as he did at the Yacht Club. Persons at the Olympic suspected Bundy of breaking into the employees lockers and on one occasion Bundy showed Mrs. Ferris a waiter's uniform (new) that he said he had taken from the Olympic. It was around this time Bundy borrowed some of Mrs. Ferris' china and silver to put on some special sort of dinner for his girlfriend who was a high class girl from San Francisco. Bundy had showed Mrs. Ferris how he planned to prepare and serve an excellent dinner to the girl and put on a British accent for Mrs. Ferris. During this time Bundy had borrowed a car from someone but later got a VW in Tacoma which needed a good deal of work.

5/21 Bundy also had a job at a Safeway store on Queen Anne Hill, stocking shelves at night and he also lived in an apartment on 17th NE and then Mrs. Ferris helped him move to an address between 1837 and 1847 on ~~Queen~~ ^{Shelby} This was the home of an elderly couple whom Ted lived with. He met them by knocking on doors around the neighborhood.

Element of Det. K. McChesney

52⁵ Mrs. Ferris recalls about 4 years ago Bundy coming to her house on a rainy day in a grey VW. He had a 8-10 year old boy with him and said they were going horseback riding in Issaquah and borrowed an umbrella.

53⁵ Mrs. Ferris had also an old address of 4127 12th NE #11 for Bundy, phone ME33060. Bundy told Mrs. Ferris his father was a chef.

52⁵ Several years ago when Ted was out of the University of Washington he took a trip to Philadelphia to visit an uncle in politics. Mrs. Ferris took him to the plane and gave him \$100 which she later tried to get back and called Mrs. Bundy looking for Ted. Mrs. Bundy said that Mrs. Ferris was a fool to give Ted that money and she'd never get it back and Ted was a stranger around there. 52⁵ When Ted returned from Philadelphia Mrs. Ferris took him to the airport again - he was going to Aspen, Colorado to be a ski instructor. Mrs. Ferris was going to knit Ted a ski hat but he already had one, possibly white, that fit over the face. She also recalled mention of his seeing his girlfriend from San Francisco at Aspen.

52⁵ Bundy had a key to McMahon Hall and sometimes would go inside and sleep when he had no other place to sleep. 52⁵ He went for some time with this girl who attended Stanford and had a desire to go to Taiwan to get out of the army.

52⁵ Ted had a friend who lived on Sunnyside Ave. N. who owned an antique shop in his home and also worked in a prison. Bundy lived with this man for awhile.

52⁵ Bundy had a black wig that he showed Mrs. Ferris and Mrs. Ferris also saw a picture of him during the Rosellini-Evans campaign wearing a wig.

52⁵ On one occasion Mrs. Ferris drove Ted to Diane's (the girlfriend's) house of greenlake, and another time she went to the ocean on business and Ted went with her. They also made a trip to Mossyrock, and at other times Bundy would take the car to "visit his parents". He borrowed Mrs. Ferris's phone to make a lot of calls.

52⁵ The last time Mrs. Ferris saw Bundy was in the Post Office on the Ave. before he left for Salt Lake. They had small talk at that time. During the time she knew him best he never talked about going to law school. She also vaguely remembers seeing Ted at the Albertson's store in GreenLake with a cast on his arm.

52⁵ Mrs. Ferris remembers Ted going to Ellensburg frequently and to meet friends from there to go skiing. He would ski at Snoqualmie Pass or Crystal Mountain. When he went to Aspen Ted had new, imported ski equipment - something he could not well afford. She has no idea where he got his money and recalls him mentioning he had a strict home life.

52⁵ Mrs. Ferris took R/O to locate the places she knew Ted lived in.

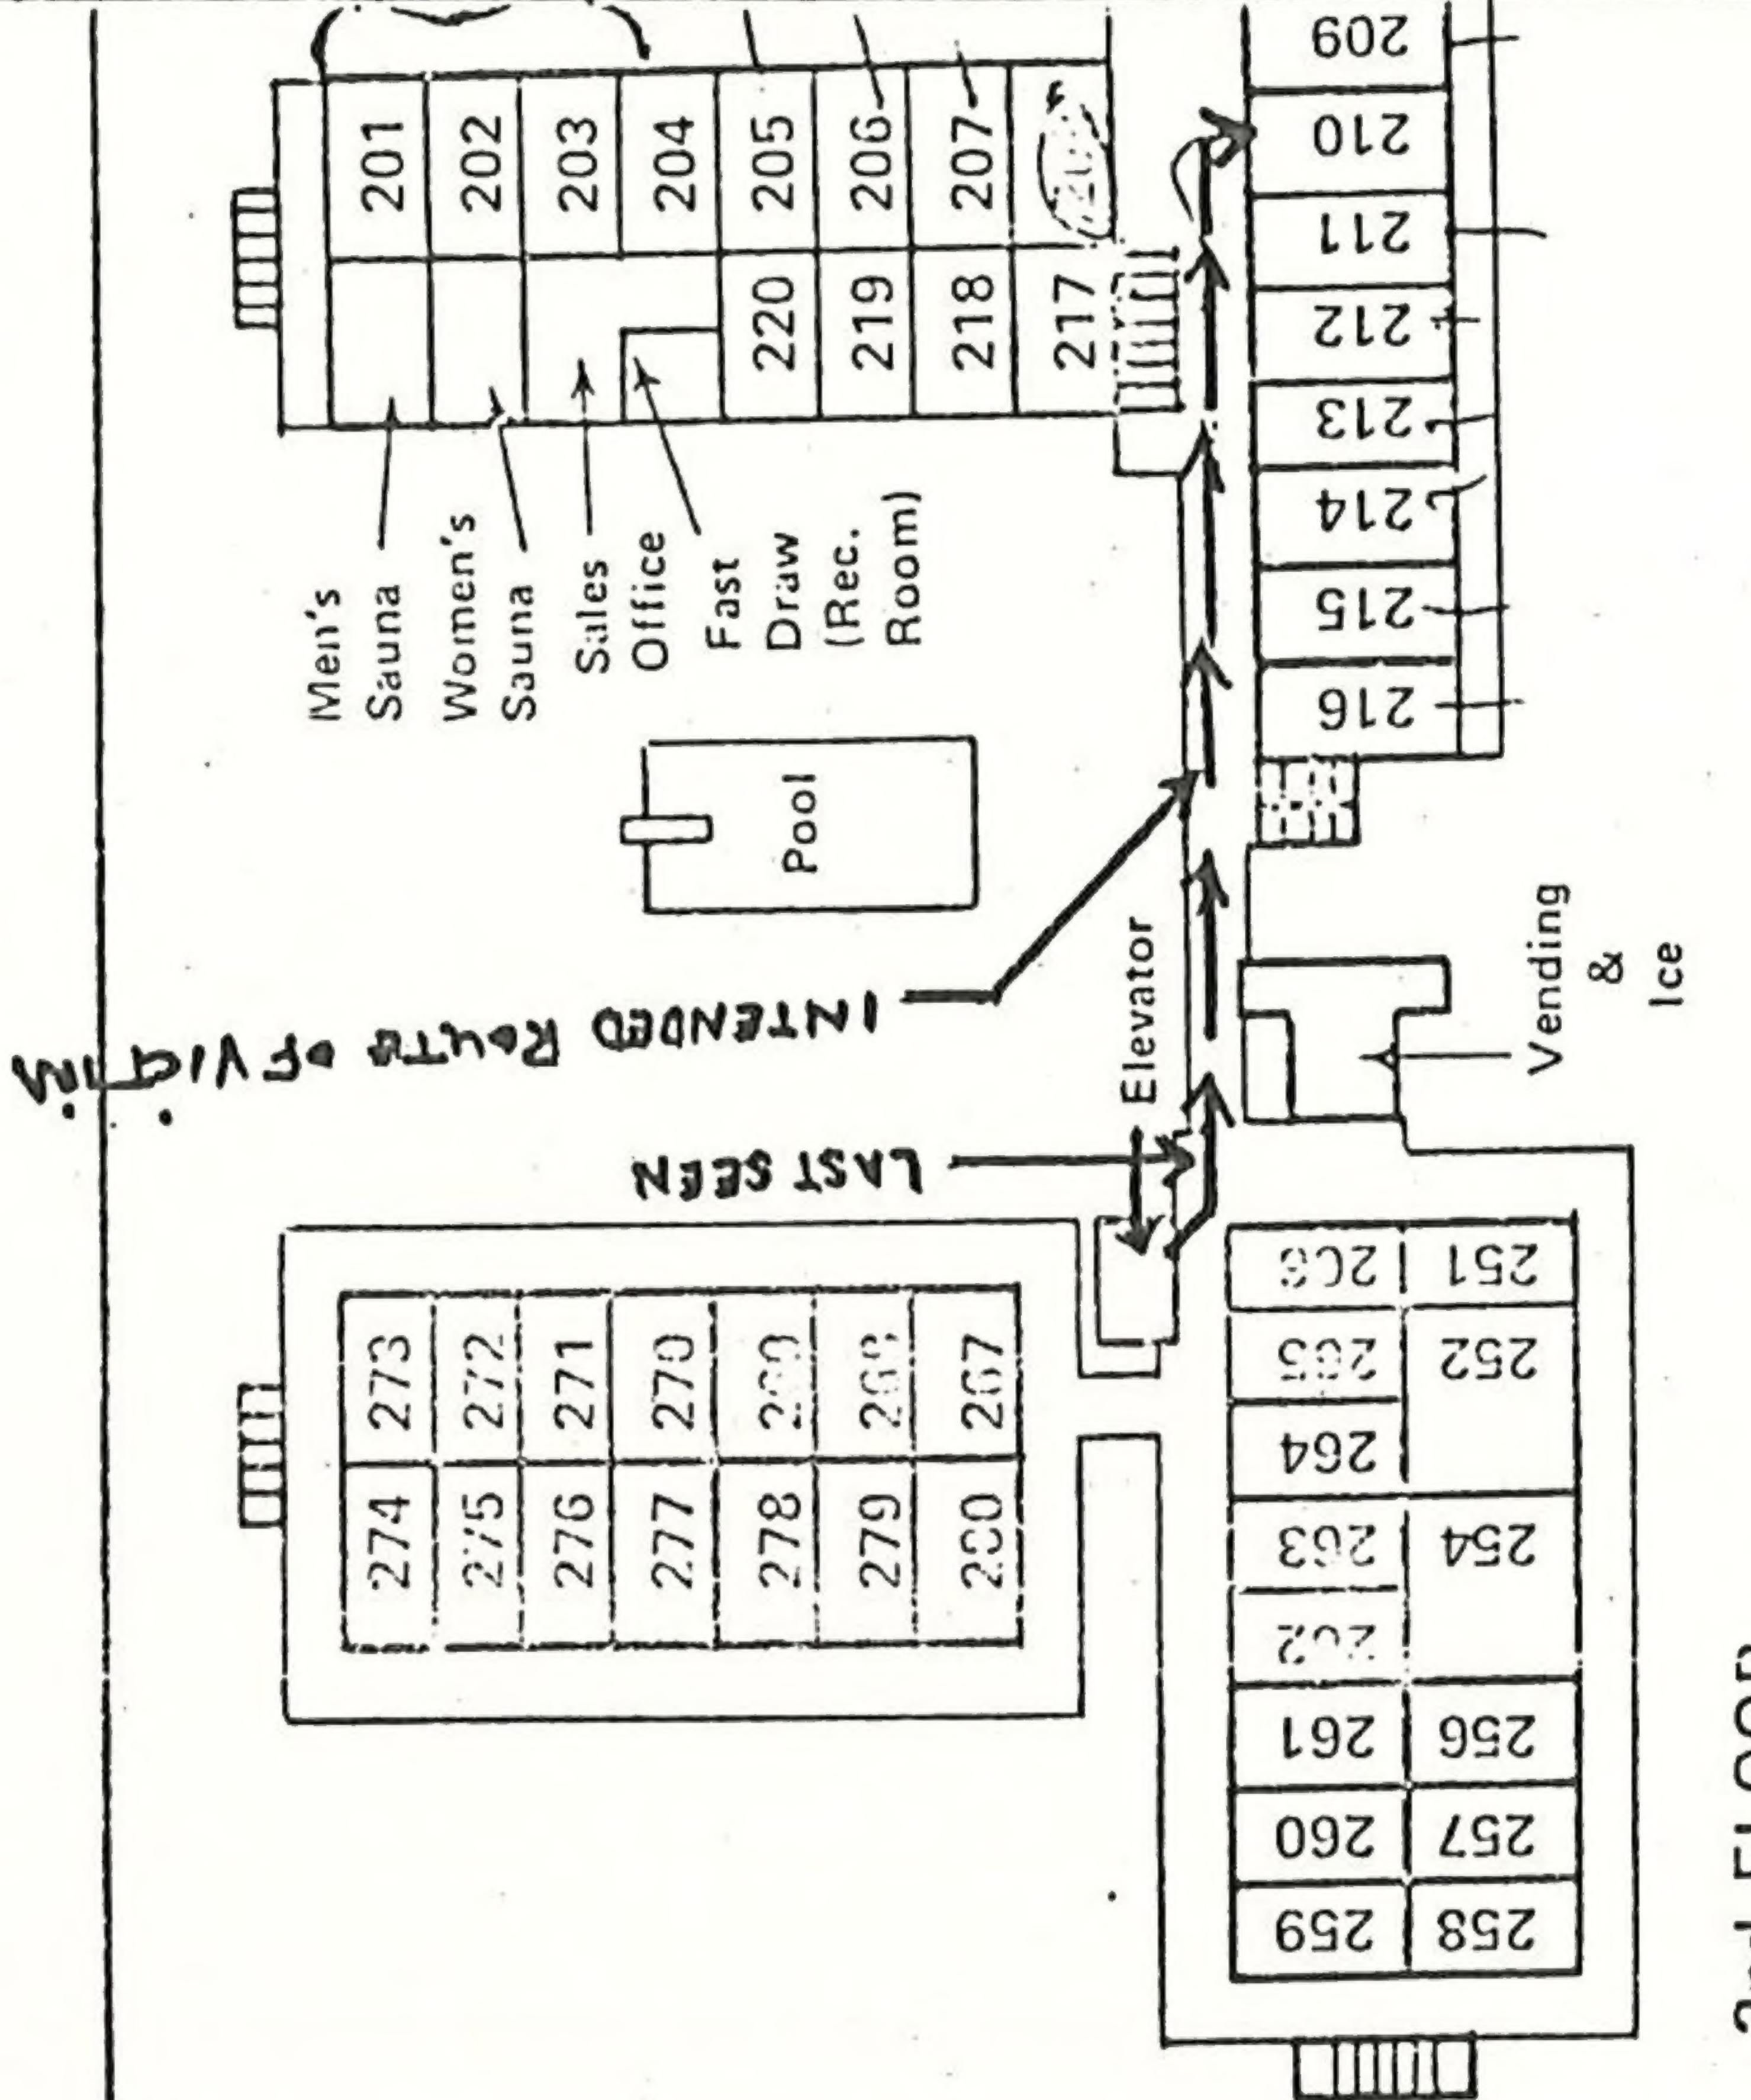

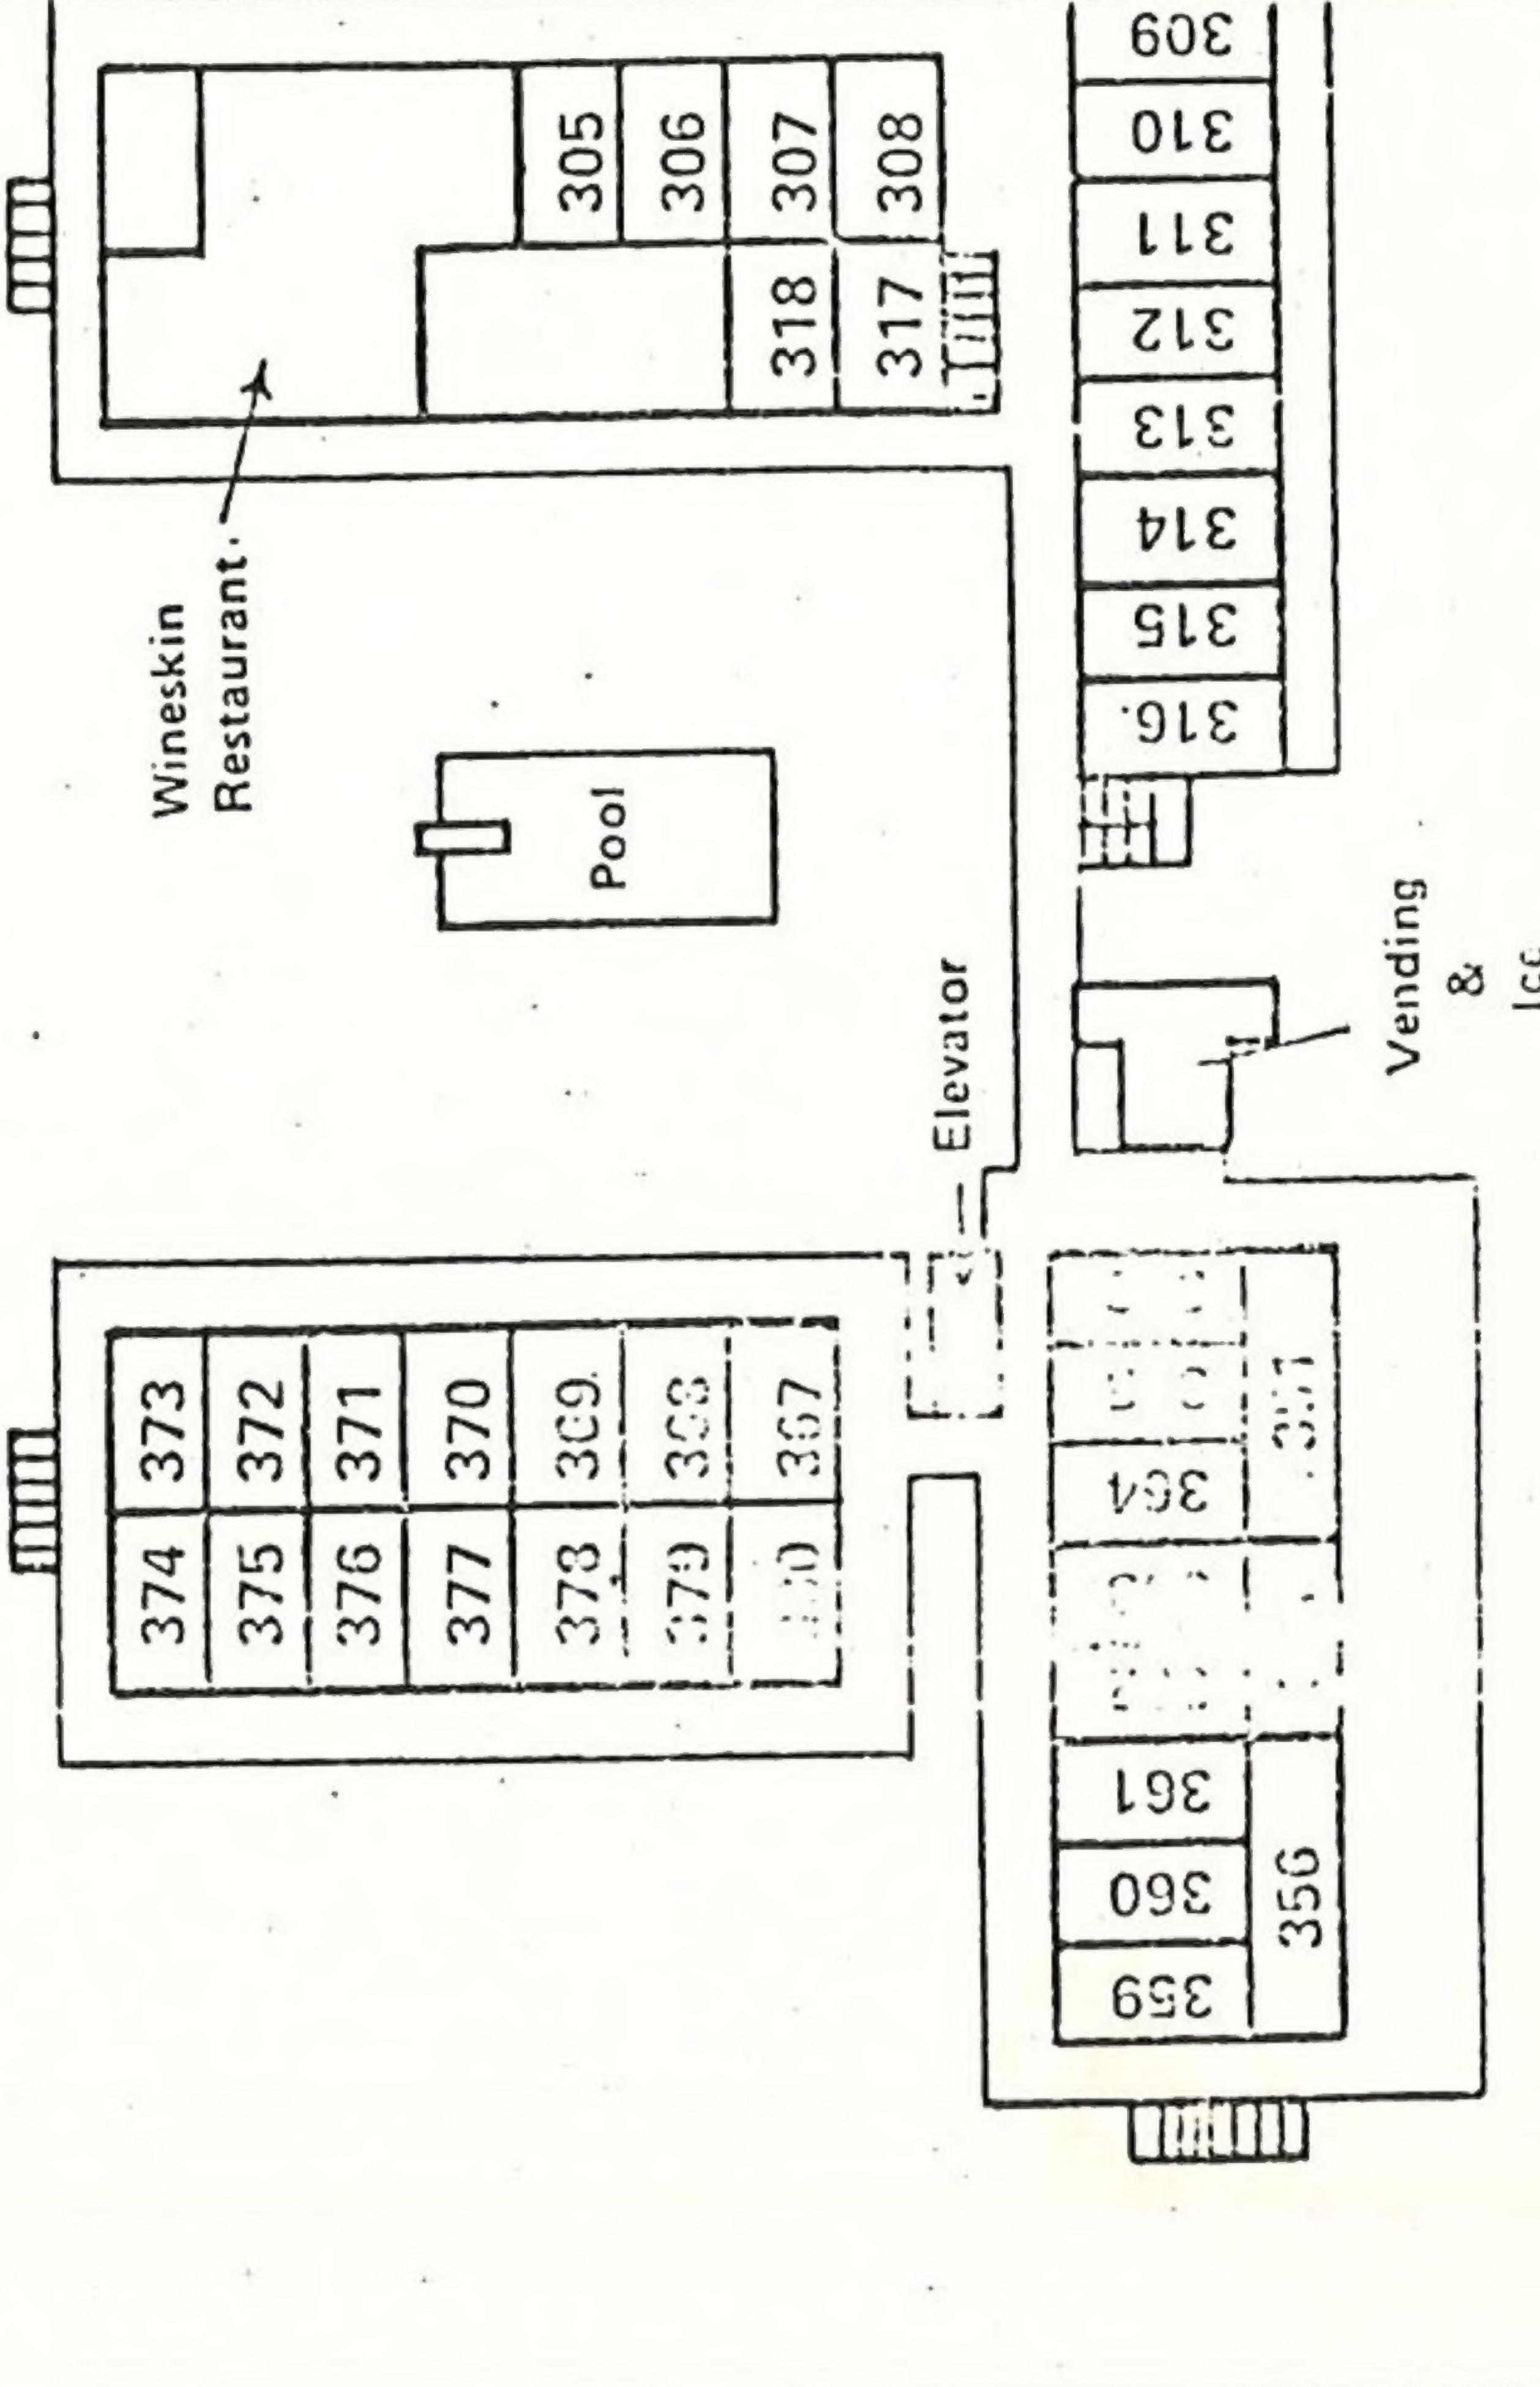

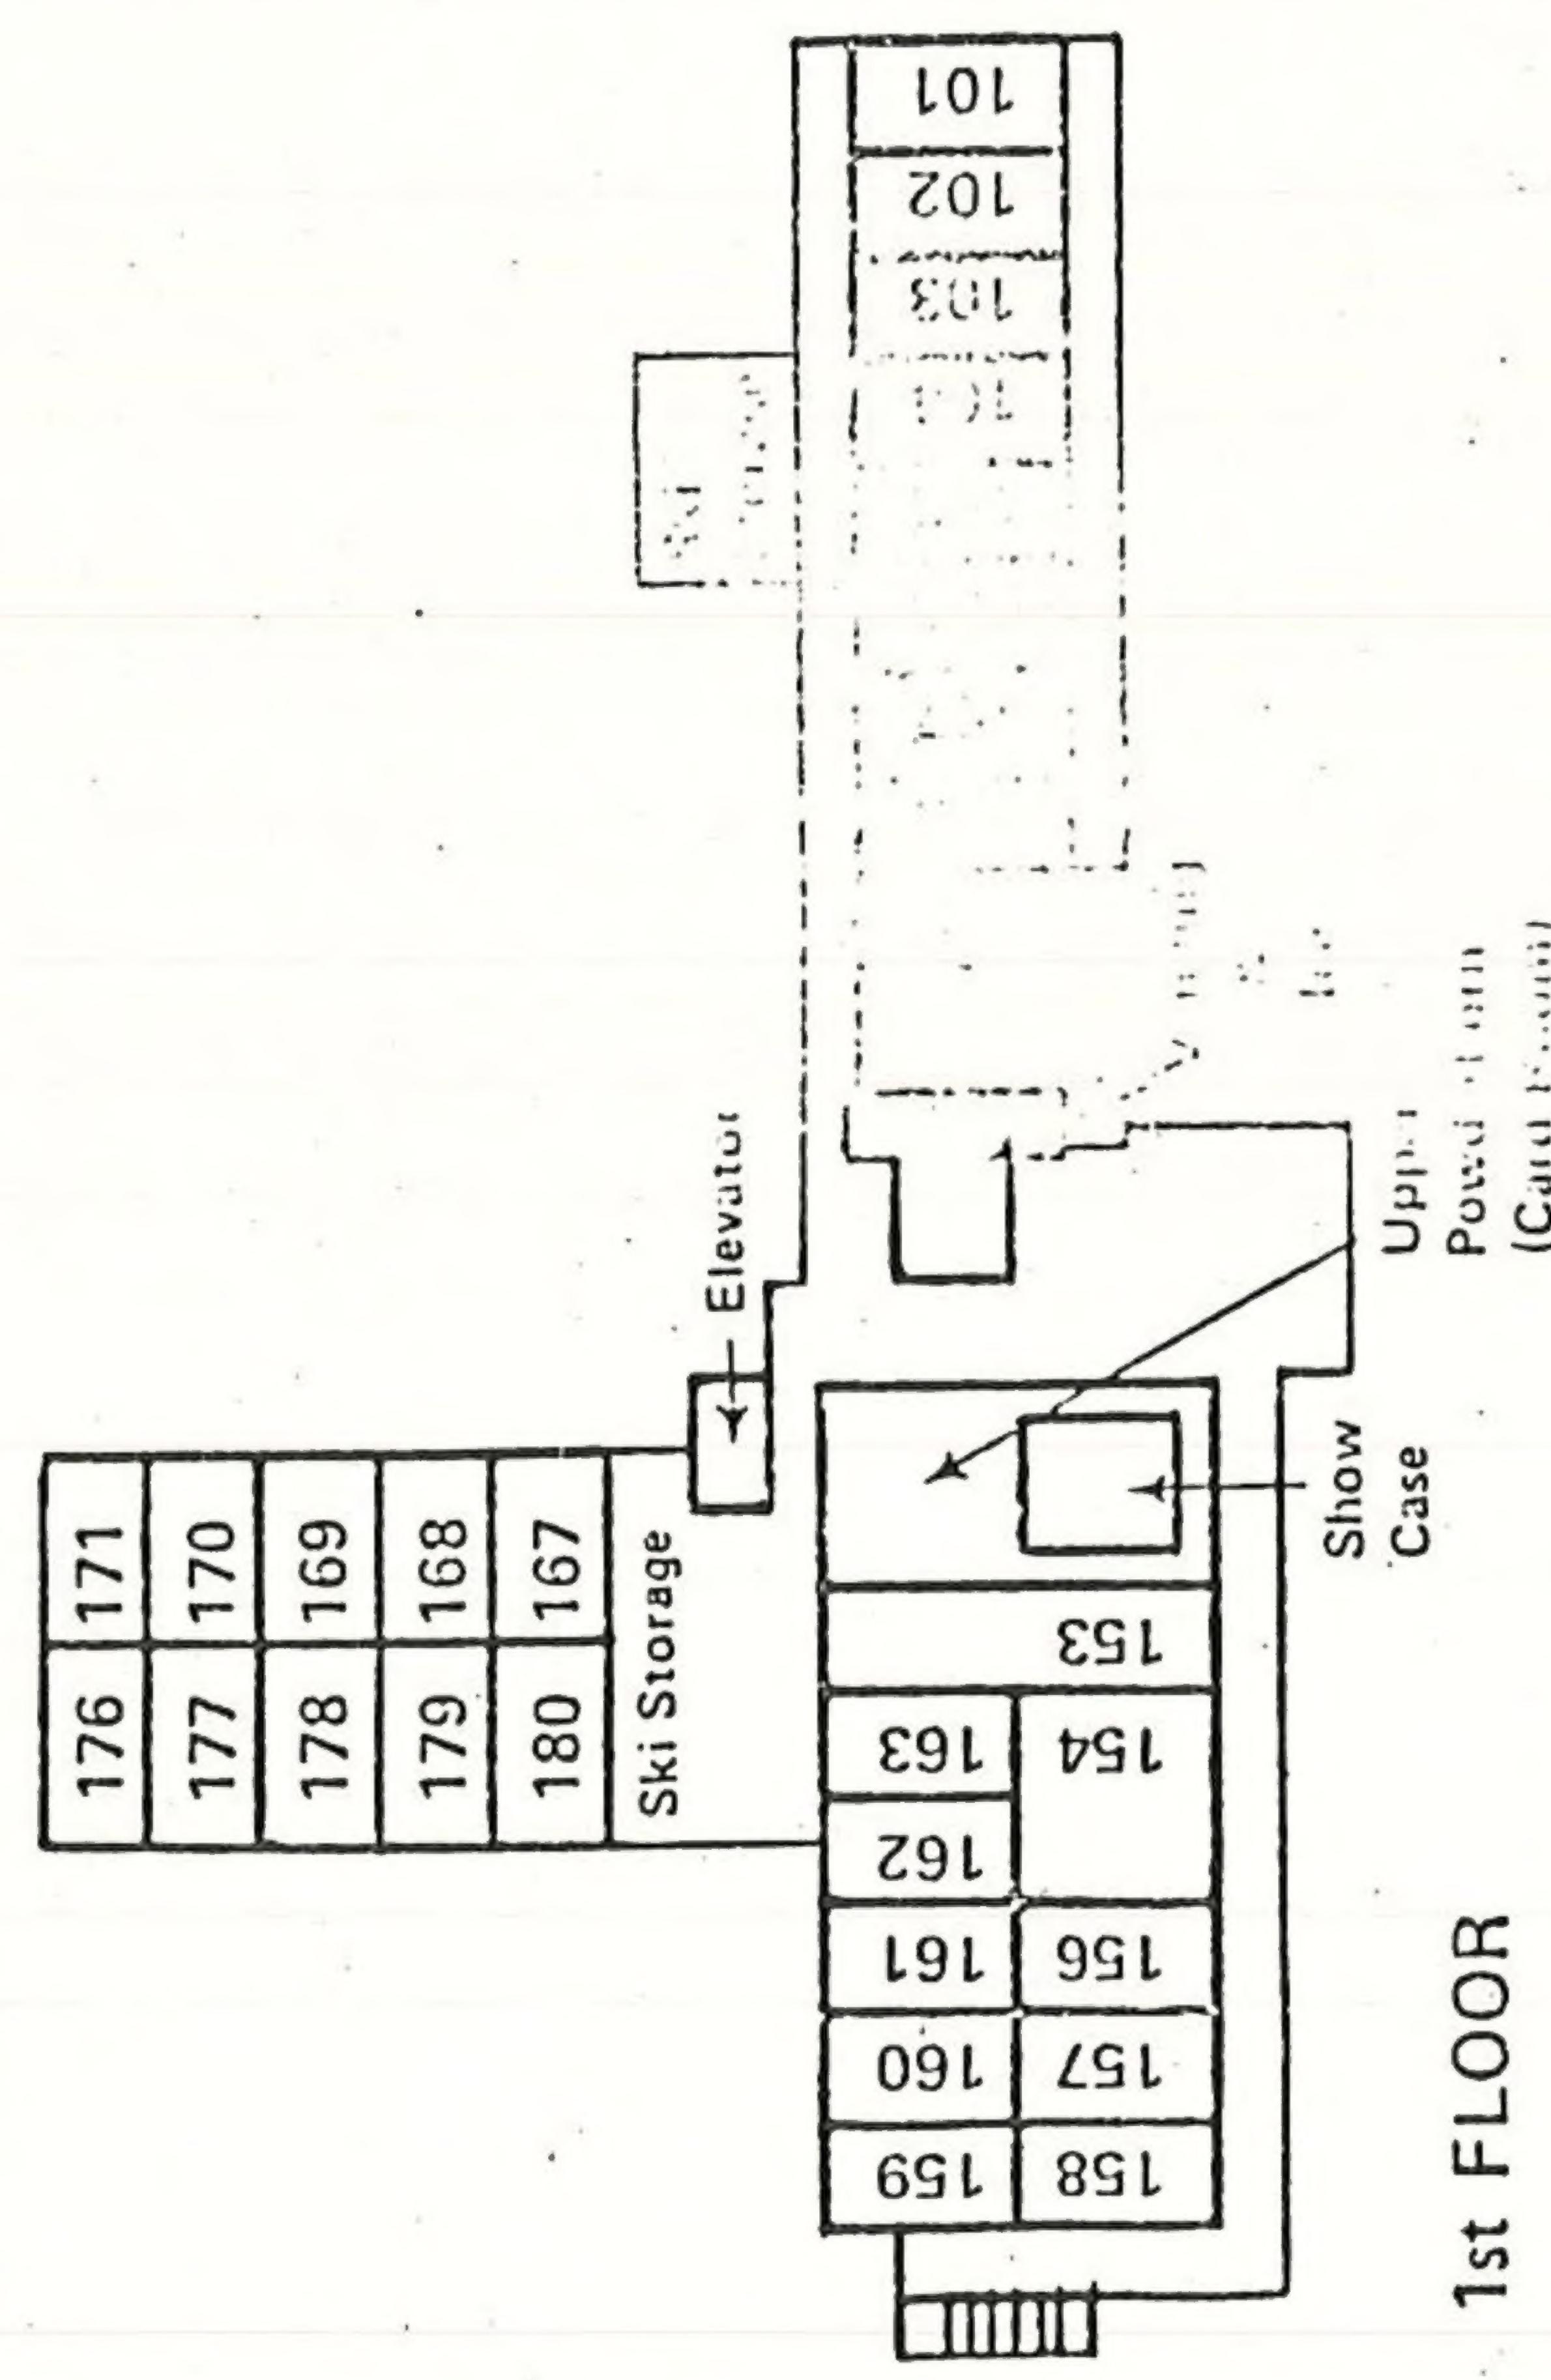

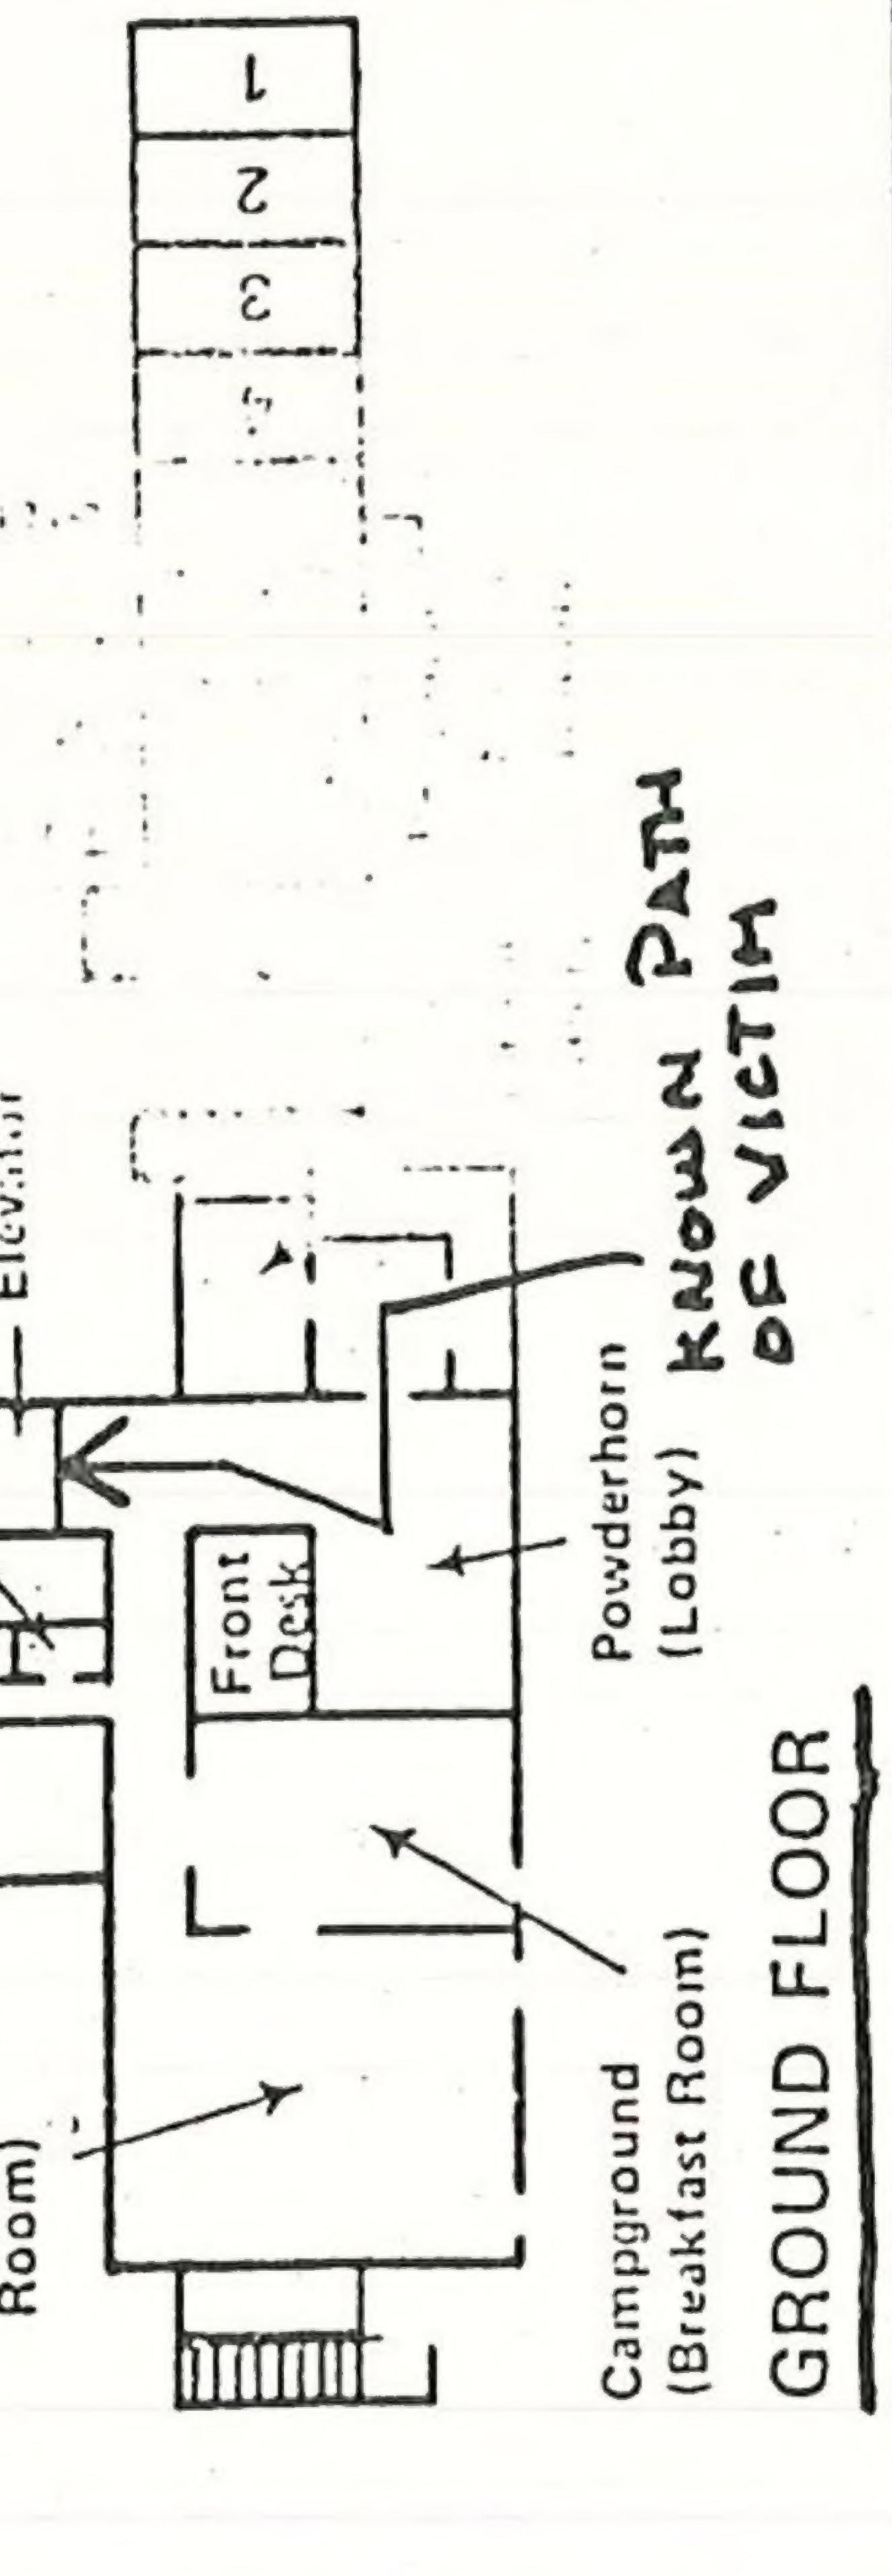

52⁵ Mrs. Ferris took R/O to locate the address on 17th but will look again and call this office. 52⁵ She also showed R/O Bundy's residence by the Seattle Yacht Club, 1845 E. Shelby

52⁵ 1400 hrs. R/O received a phone call from Jim Shober who remembered that on the date he saw Bundy at the Lake Sammamish he had a windbreaker thrown over his shoulder. An appointment was made to obtain a written statement from him on October 14, 1975. 52⁵ R/O had phone contact with Susan Reade and requested Republican activity schedules for 1974. She advised that Larry Voshall might have a lot of the information requested and that the only reason she could think of for Bundy being in Oregon would be to visit Jim Waldo, who was with Action for Washington and attending Willamette Law School after the campaign of Gov. Evans.

One red-brown head hair of Caucasian origin was found among the hairs previously recovered from specimen Q22 which is microscopically like many of the hairs of specimen K4. Accordingly, this hair either originated from the person represented by K4 or from some other individual of the Caucasian race whose head hairs exhibit the same microscopic characteristics.

Numerous hairs of Caucasian origin were found either in or on specimens Q28 through Q33. No hairs were found in specimen Q34. None of the aforementioned hairs were found to be microscopically like the hairs of specimen K4.

The additional microscopic examinations requested and related to homicide victims MELISSA SMITH, DEBRA KENT, KARYN CAMPBELL and SHELLEY ROBERTSON have been conducted and are the subject of separate Laboratory reports to the various jurisdictions concerned. None of these additional comparisons were of probative significance.

It is noted that microscopic hair comparisons do not constitute a positive basis for personal identification.

The submitted specimens are being returned to your department under separate cover by registered mail after additional examinations have been completed.
